## COURSE OVERVIEW:

In this course we will study principles and doctrines of the gospel of Jesus Christ as revealed in the standard works. By the end of this course, we should be able to, understand, explain, and apply the doctrines of the gospel. Doing so will help all who participate strengthen and increase their testimonies of restored gospel of Jesus Christ.

Elder Dale G. Renlund invited and promised:

“I invite you to live the doctrine of Christ repeatedly, iteratively, and intentionally and help others on their way. I testify that the doctrine of Christ is central to Heavenly Father’s plan; it is, after all, His doctrine. As we exercise faith in Jesus Christ and His Atonement, we are propelled along the covenant path and motivated to help others become faithful disciples of Jesus Christ. We can become heirs in Heavenly Father’s kingdom, which is the culmination of faithfully living the doctrine of Christ.”

## COURSE OBJECTIVES & LEARNING OUTCOMES:

- Understand, believe, explain, and apply the doctrines of the Gospel of Jesus Christ
- Be more confident in efforts to talk about the gospel
